

BURN 24-7 LUBBOCK TX

It's challenging sometimes to pause for a moment in the midst of the great things God is doing and saying and just "be". The Psalms are punctuated with "selahs" that were designed to provide a moment of reflection on what God was speaking. I invite you to consider this newsletter a selah - an opportunity to reflect on what the Lord is doing and saying in our time.

A Time to Celebrate!

The Revival Room

July 23rd, 2022 marked two years of worship & prayer Monday-Friday in the Revival Room. We have been so blessed with worshipers from around the city hosting the Presence of the Lord with faithfulness and intimacy. It has been an honor to be part of such a community committed to pursuing Jesus solely because HE IS WORTHY!!

Lubbock County Detention Center

In September, we will celebrate a full year of having two weekly Sunday services at the detention center. In that time we've seen dozens of men give their lives to Christ, be baptized and get healed of everything from anxiety & addiction to bum knees & deaf ears! Every Sunday, we are witness to powerful miracles as Jesus sets people free! We are also a few months into a weekly discipleship class to take men deeper into relationship with Jesus!

Two years of weekday worship in the Revival Room!

Weekly miracles happen at the Lubbock County Detention Center

Burn Wagon Mid-South 2022

The beginning of July saw me leading a team across four states and nine cities to spread the love of Jesus, share the gospel, and participate in worship events at local Burn Furnaces. We had many powerful times shifting atmospheres and retaking ground across cities and regions. It was also a strategic time of connection and encouragement for our Burn leaders across the Mid-South region.

Uganda Trip (Aug 17-29)

Earlier this year, I went on a mission trip to Uganda that was literally life-changing. I was so deeply moved by the people and their passion for Jesus. I was also stirred by the very real needs of the people in this beautiful country. We are returning in August to partner with local workers to minister to the broken-hearted, sick & unreached while training and equipping local leaders. We are also planning on the launch of a new Burn Furnace in Uganda's capital of Kampala! Get ready for some amazing testimonies to come out of this time!

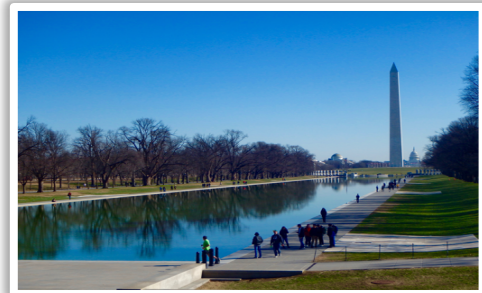

Burn 24-7 Regional Summit

Family is one of the core values of Burn 24-7 and to help nurture that value we have a regional summit each year. This year, we are hosting our region right here in Lubbock!! We are VERY excited to host Burn leaders from across Texas, Oklahoma, Arkansas and Missouri here in Lubbock! There is a great synergy that happens when Burn leaders gather together and we are looking forward to some incredible times of worship, strategy and encouragement!

Burn Wagon East Coast 2022

Missions here in the United States is more needed than ever, so I'm excited to be leading another Burn Wagon trip along the east coast this October! We will be worshipping and ministering across several locations, ending in Washington DC for the Let Us Worship event on the National Mall.
